UN INVITO ALLA PERSONALIZZAZIONE, UNA SCELTA RAGIONATA TRA GLI INFINITI ACCOSTAMENTI DI COLORE, FORMATO E DISEGNO DELLE DIVERSE COLLEZIONI.

Mix & Match è un segno, una dimostrazione pratica e incisiva delle infinite possibilità offerte dal catalogo di ceramiche e mosaici del Gruppo Bardelli. Attraverso i suoi marchi, Appiani, Ceramica Bardelli e Ceramica Vogue, si propongono **abbinamenti di collezioni come ideali e perfette.**

Il linguaggio per immagini mostra prodotti contestualizzati, scenari compositivi, schemi di posa per showroom e punti vendita, in modo eloquente ed espressivo.

L'intento è proporre **scenografie d'effetto e funzionali** in cui le proporzioni, le finiture e le armonie cromatiche siano di ispirazione per ogni scelta progettuale.

AN INVITATION TO CUSTOMISATION, A CAREFULLY THOUGHT-OUT CHOICE AMONG INFINITE COMBINATIONS OF COLOURS, SHAPES AND PATTERNS FROM DIFFERENT COLLECTIONS.

Mix & Match is a sign, an incisive practical demonstration of the infinite possibilities offered by the Gruppo Bardelli. Combinations of collections are proposed as ideal and perfect, achieved matching its brands, Appiani, Ceramica Bardelli and Ceramica Vogue.

The images show products in context, in compositional scenarios and laying patterns for showrooms and retailers, in an eloquent, expressive way.

*The intention is to **suggest high-impact**, functional scenes with proportions, finishes and harmonies of colour that can provide inspiration for designs.*
