

RITMO

Collezione che unisce tecnologia e materia in un equilibrio dinamico, dove superfici lucide e opache si intrecciano in raffinati giochi di luce. I listelli tridimensionali scolpiscono lo spazio con contrasti tattili e visivi, trasformando la ceramica in un elemento architettonico vivo. Una collezione modulare e sensoriale, capace di interpretare con forza e creatività l'interior contemporaneo.

A collection that combines technology and matter in a dynamic balance, where glossy and matte surfaces intertwine in refined plays of light. The three-dimensional tiles sculpt space with tactile and visual contrasts, transforming ceramics into a living architectural element. A modular and sensorial collection, capable of interpreting contemporary interiors with strength and creativity.

Combinato di decorazione digitale, colla ceramica, graniglie vetrose e tecnologie di stampa multistrato
Combination of digital decoration, ceramic adhesive, glassy grits, and multilayer printing technologies

I listelli tridimensionali presentano bassorilievi opachi e altorilievi lucidi, ottenuti tramite applicazione di graniglie ceramiche pregiate
The three-dimensional tiles feature matte bas-reliefs and glossy high-reliefs, achieved through the application of fine ceramic grits.
